“Frequently hilarious...also dangerously serious...An invitation you [will be] glad you accepted” —NY Post

Synopsis:

Here is a decidedly French dinner party served up in a chaotic mode that only a master of comedy could create. Five people are invited to dine at a first rate restaurant in Paris. They do not know who the other guests will be or why they have been invited. Tossed together in a private dining room, they have a sneaking suspicion that this unorthodox dinner party will forever change their lives. The evening is filled with playful antics, sudden zaniness and masterful comic dialogue as the mystery unfolds.
