Synopsis:

The local community theater is in its last week of rehearsal for their upcoming production of *Murder Most Foul*, written by a local playwright.

The set isn't quite finished, the props haven't all yet been obtained, the actors still don't know their lines, the author is still rewriting the script, and . . . opening night is three days away!! . . . But the show must go on!!

Theater lore says that "a bad dress rehearsal means a great opening night." If that's the case, opening night of *Murder Most Foul* should be stupendous!!
